SUPP. TO  
REPORT NO.

1. The following classes are now in service in the Rumanian Army.
  - a. Men of the classes of 1932, 1933 and 1934 are on general active service. Members of the class of 1935 are being recruited and examined and will be called to duty in the second half of Oct 53.
  - b. The reserves on duty follow no general pattern. Reserves are called up or retained on duty only on special order, and the status is different in the various corps commands.
  - c. In the I Army Corps (Bucharest) there are reserves of the class of 1931, also machine gun and heavy weapons men of 1928-30.
  - d. In the II Army Corps (Craiova) the classes of 1929-31 are to be called for six weeks refresher training. Specialists and cadres belong to the classes of 1927 and 1928.
  - e. No reserves have been called by the III Corps (Constanța).
  - f. The IV Army Corps (Iasi) is holding men of the classes 1929-31 until the ranks are filled from the class of 1935.
  - g. The V Army Corps (Cluj) has only specialists of the classes 1929-31.
  - h. The VI Army Corps (Timișoara) has all reserves of the classes 1929-31.
2. It is expected that all reserves will be released at the close of the autumn maneuvers.
